

Calling All Local Artists!

NAC and the City of Newberry would like to invite you to participate in an Artist Showcase on September 27, 2024, as part of the ETV's Towns in Tune event in Newberry.

What is Towns in Tune?

The Towns in Tune project is a collaboration between a small town in Newfoundland, Canada and a small town in South Carolina. The core of the series is exploring how the exchanging of cultural ideas can grow one's economy. **SCETV will be filming the activities** and events of Towns in Tune, including the event in Memorial Park on the 27th.

This year the event pairs Bay Bulls, Newfoundland, Canada and Newberry, SC. Visitors from Canada will be visiting Newberry and participating in several events that will engage many members of our community as well as visitors from Canada and from outside of town.

Friday September 27, 2024, Newberry will welcome our visitors from Canada, as well as our local community with a performance by Brendan Roberts in Memorial Park from 6pm to 7:45pm. In addition, there will be art activities for children, Food Trucks, a Wine Walk, and more. Newberry would like to show off some of our local visual artists as well with an Artist Showcase around the event area.

The Artists Showcase will run from 5pm to 7:30pm. Demonstration of your work is encouraged, but you can also display your work and offer items for sale. Set up for the event will begin at 4pm on Friday afternoon. There is no fee to participate, but you must register by September 19th.

If you have questions, please call Newberry Arts Center at 803-321-1022 or email us at arts@cityofnewberry.com
